[Summary]

For the month review, net sales at existing stores (total) were 95.1% compared to the same month of the previous year. Net sales at all stores (total) were 120.3%, including WEGO, which has been affiliated since October 2024.

Temperatures trended higher than usual, particularly in the latter half of the month, driving to good sales of summer items such as pants and knitwear. However, existing store sales fell below the previous year, due to the impact of one fewer holiday compared to the same month of last year and the postponement of sales events at certain commercial facilities and e-commerce platforms.

Sales of Onward Personal Style, offers the made-to-order brand "KASHIYAMA", performed well as various sales promotional campaigns proved effective. WEGO also performed well thanks to strong sales of design-focused tops and denim items and fashion goods.
