**[Summary]**

In the month under review, net sales at like-for-like stores (total) were 108.4% and those of all stores (total) were 103.5%, respectively, compared with the same month of the previous year.

During the month, the nationwide low temperature, particularly since the middle of the month, and other factors led to expanded sales of winter outerwear, centering on coats. In addition, our intensified efforts to curb discount sales compared to the previous years resulted in higher average sales per customer and a steady increase in net sales.

The number of customers using "Click & Try" OMO service offered by Onward Kashiya, where almost all of its brand items in its official fashion online shopping site can be delivered to a physical store to be tried on before purchasing, surged significantly from the same month of the previous fiscal year, contributing to attracting more customers to physical stores and to increasing net sales.
